

## ORION Cares

The O'Callaghan Resource Integrated Oncology Network (ORION) Cancer Foundation is a Southern Nevada-based nonprofit that assists individuals unable to afford the essentials of daily living while undergoing treatment for cancer.

ORION was established in honor of former Nevada Governor Mike O'Callaghan and First Lady Carolyn O'Callaghan, both cancer survivors. Carolyn and Mike were well known for their genuine care and compassion for those in need.

The acronym ORION is borrowed from the constellation of a hunter whose dedication is symbolic of the O'Callaghan's lifelong pursuit to help the common man. Stars of ORION shine bright in the winter, helping us navigate through the cold and darkness. The constellation also warms the sky in spring, when new beginnings and hope emerge.
